"Earth, family, friends, me, the future – Kindness to all.
Born in Daikanyama in 2019,
style table champions a philosophy of 'Ethical x Sustainable x Vegan'.
We yearn to use what's good for our bodies.
We desire products that respect the environment.
For our generation, and the ones to follow,
We aim to leave behind a pristine Earth.
A store built on the shared aspirations of over 100 working women,
and mothers in their 20s and 30s."
